

I-95 (North of Providence) Travel Time Estimates

I-95 between the Massachusetts State Border and Downtown Providence

Use the charts below to plan a trip along the 6 miles of I-95 between the Massachusetts State Border and Downtown Providence as shown on the map in red. The charts indicate the average and typical maximum times to travel based on the time of year and the time of day – during a morning or afternoon commute. The average time to travel the segment is indicated by the black bar. If arrival times are important, allow yourself the maximum amount of time as shown by the orange bar. By doing so, you will allow yourself a “time cushion” to ensure your timely arrival. These charts were produced using 2010 data for the months shown.
